

OUTBACK 4WD ADVENTURE

DRIVING FOR PROSTATE CANCER
22ND – 29TH SEPTEMBER 2018

Cobar «« Tibooburra «« Innamincka ««
Birdsville «« BIG RED «« Simpson Desert ««
Marree «« Wilpena «« Broken Hill

2018 will see the inaugural Outback 4WD Adventure event to raise funds for prostate cancer research in Australia starting in Cobar on Sunday 22ND September 2018.

Vic Widman, well known Australian author of many Australian outback publications and recognised as one of Australia's leading 4WD driving experts has planned the event route visiting many iconic towns and will accompany us on our weeklong outback adventure.

Peter Fehon from Charity Car Events, has agreed to take responsibility as Event Director. Peter will handle all of the administration and bookings through his website Charity Car Events www.charitycarevents.com.au and daily organisation of the event.

Participants will enjoy great outback roads, unbelievable scenery, visit many outback towns, enjoy sensational country food and hotel accommodation organised every night, whilst raising funds to support prostate cancer research – a disease that affects one in eight blokes today.

EVENT DATES

Entrants will meet up in Cobar on Saturday night 22ND September. The event departs the morning of Sunday 23RD September for 7 days of great adventure and fun in the Australian outback. Saturday 29TH September the event concludes in Broken Hill for the final night dinner.

HOW TO ENTER

Book your place for this great opportunity by registering your entry (vehicle) and paying the entry fee (spaces are limited). Go to www.pcfarally.com.au and remit entry fee.

VEHICLES - SUPPORT - COMMUNICATION

Any 4WD well prepared vehicle may enter the event. Your vehicle must be road registered, roadworthy and insured for minimum Third Party property. Safety equipment as detailed in the Rules and Regulations (see separate listing) for the event must be complied with, and the event indemnity form completed by all entrants.

A road book (detailing route distances and instructions for each day) will be distributed at the briefing to all entrants. All cars will be issued with door panels (as promotion for the event and to include vehicle number) prior to the start in Cobar – entrants to nominate their own car number.

The event is not a race it is an 'adventure'. All vehicles must have minimum UHF radio fitted and a snatch strap. Our sweep vehicle will provide mechanical support to assist all vehicles to make it to each night stop where practicable. Official and support/sweep vehicles will carry Sat Phones. Event communication will be by UHF radio, event 'APP' and briefings.

MEALS AND ACCOMMODATION

Accommodation in Cobar is at your own expense. We have accommodation reserved that you can utilise – we will advise you of this accommodation and confirmation of your booking. A group briefing is planned for around 7:30pm at the Cobar Bowling Club where we recommend you enjoy dinner and an opportunity to meet all the other participants.

FUNDRAISING FOR PROSTATE CANCER

Each vehicle is required to raise a minimum of \$1,500 for Prostate Cancer Foundation of Australia. Of course you don't have to do this personally, most people ask their family and friends to support them. All donations are tax deductible and go directly to Prostate Cancer Foundation – no expenses are deducted from these donations, 100% of all donations go to assist with prostate cancer research. You don't have to stop at \$1,500, we also will have an award on the final night for our highest fundraiser. We utilise the Everyday Hero fundraising platform to make donations for your fundraising easy as receipts can be printed as donations are made.

PROSTATE CANCER FOUNDATION OF AUSTRALIA AND PROSTATE CANCER

Prostate Cancer Foundation of Australia (PCFA) is a broad based community organisation and the peak national body for prostate cancer research in Australia. The Foundation is dedicated to reducing the impact of prostate cancer on Australian men, their partners and families recognising the diversity of the Australian community.

RESEARCH
AWARENESS
SUPPORT

Why is this research so important?

- 3,300 Australian men a year die from prostate cancer. **That is 9 a day**
- 20,000 Australian men a year receive a new diagnosis. **That is 54 a day**
- In early stages of prostate cancer there may be no symptoms
- One in 8 blokes will be affected by prostate cancer
- Around 92% of men will be alive 5 years after a diagnosis of prostate cancer – this is largely as a result of medical research

HOW TO GET STARTED

- Register as a participant in the OUTBACK 4WD ADVENTURE – Go to www.pcfarally.com.au
